

## Offshore Group to Host Two Manufacturing in Mexico Events

*Manufacturing executives will have the opportunity to learn how to initiate low-cost manufacturing operations in Mexico during two industry conferences scheduled for October 2009.*

TUCSON, AZ, July 08, 2009 /24-7PressRelease/ -- The Tucson, Arizona - based Offshore Group will host two major manufacturing in Mexico events from October 20 - 24, 2009 at the San Carlos Plaza Hotel in Guaymas, Sonora.

The Aerospace Manufacturing in Mexico Conference will take place on the 21st and 22nd of the month, and has been designed to introduce top industry executives to one of the largest aerospace manufacturing clusters in the country, as well as to the benefits enjoyed by manufacturers that choose manufacture in a low-cost environment in one of The Offshore Group's world-class industrial parks.

The 15th Annual Manufacturing in Mexico Summit will take place from the 22nd until the 24th. Since its inception, The Summit has been the premier yearly gathering of top ranking executives in Mexico's Maquiladora Industry. It has consistently provided an effect forum at which representatives of manufacturing firms from all major industries have been able to gather comprehensive information critical to the investment decision-making process in an abbreviated time frame.

In addition to benefiting from information imparted through programs of knowledgeable speakers, attendees at both the Aerospace Manufacturing in Mexico Conference and the 15th Annual Manufacturing in Mexico Summit will be able to tour manufacturing facilities currently in production, and will be able to meet and share information with the executives that run them.
