## FOR IMMEDIATE RELEASE

### Mexico Manufacturing Event Presentations Available on the Web

TUCSON, AZ, November 11, 2009 -- All conference materials from two recent manufacturing in Mexico events hosted by The Offshore Group in Guaymas, Sonora, Mexico this past October are now available for download by interested parties.

From October 20th to 29th the 24th Annual Manufacturing in Mexico Summit and the Aerospace Manufacturing in Mexico Conference were held at the San Carlos Plaza Hotel in the West Mexico state of Sonora, home of large general manufacturing and aerospace industry clusters.

A sampling of some of the topics addressed in the on-line accessible presentations includes:

- New Legislative Initiatives and their effect on investments in Mexico
- Mexico and The United States: An Integrated Economic Relationship
- Mexico and the Global Aerospace Industry
- Globalization from the OEM's Perspective - Opportunities for Mexico?
- Increased Security through Increased Velocity in the Supply Chain
- The Role of Mexico's Government in the Development of a National Aerospace Industry
